When you think of your legacy, consider a lasting gift to Nantucket Cottage Hospital. We invite you to find a place in your will for NCH alongside family and other loves ones.

A will is a key component of a person’s overall estate plan; a way to ensure the property accumulated over your lifetime goes exactly where you want it to go. Without such a document, the state has a distribution plan which may or may not be in accordance with your wishes. A will (or living trust) also provides the opportunity to remember and provide for friends, pets, and organizations you care about.

There are many advantages to bequest gifts through your will:

- **Easy to arrange.** A will enables you to direct gifts from your estate to Nantucket Cottage Hospital. It is simple for your attorney to incorporate gift language, using the sample language we provide. A gift can likewise be easily incorporated into a revocable living trust.

- **Retain full ownership and use of your assets throughout your life.** Perhaps you want to make a gift to support Nantucket Cottage Hospital but are not comfortable giving belongings you may need in the years ahead. A bequest allows you to make a gift while preserving your access to the gift assets, should you need them.

- **Flexible.** A gift is not set in stone and can be changed if your life circumstances change.

- **Possibly reduce taxes payable by your estate.** A bequest to Nantucket Cottage Hospital results in a dollar of estate tax charitable deduction for every dollar of gift. If your estate is large enough to pay estate tax, this deduction will result in substantial tax savings.

- **Support an organization you care about.** Through your estate you can support the next generation of islanders by providing exceptional wellness and healthcare services to a diverse Nantucket community.
Several types of bequests are possible:

- Specific, a certain dollar amount or a particular asset – “the sum of $20,000” or “100 shares of ABC stock”
- Residual, once other assets have been distributed – “fifty percent of the rest, residue, and remainder of my estate”
- Contingent, only under certain conditions – “in the event my spouse does not survive me”

In addition, your bequest can be used where the need is greatest or you can support a particular program of interest.

Next steps to take if the benefits of making a bequest appeal to you:

- Review our suggested bequest language to determine what kind of bequest might be right for you. A bequest could be as simple as:
  
  “I give to Nantucket Cottage Hospital, having a principal place of business at 57 Prospect Street, Nantucket, MA 02554, Federal tax identification number 04-2103823, ____ percent of my residuary estate (or $_____, or other property) to be used or disposed of in its sole discretion as it deems appropriate.”

- Discuss your situation with your attorney. He or she can help you determine whether to make a bequest through a will, through an amendment to your existing will, or perhaps as a distribution from a living trust.

- Once you have arranged a gift, please let us know. We would be honored to have the opportunity to thank you while respecting your confidentiality and to make sure we can fulfill your wishes.
