Beinecke Scholarship Fund – 2020-2021

Income generated from the Beinecke Scholarship Fund will be used to provide medically related educational opportunities for residents of Nantucket and employees and medical staff members of Nantucket Cottage Hospital to pursue health education that could benefit the hospital.

Individuals receiving assistance from the Fund will not be obligated to employment with the hospital or repayment of the funds received.

The amount of scholarship money available for a given fiscal year will be 6% of the total fund corpus allocated as follows:

- Community scholarships up to 80%
- Hospital employees 20%

The Committee will attempt to distribute available funds as equitably as possible within the stated percentages. No individual award shall exceed $4,000.00 in one calendar year. The duration of need will be considered in making the award. An annual special award, outside the stated individual limit, may be made at the discretion of the Committee. This award carries no guarantee that it will be repeated.

Funds may be used for all appropriate educational expenses including, but not limited to, tuition and fees, books, travel and lodging and related expenses at the discretion of the Committee.

Recipients of scholarships must submit a new request for funds each year of the educational program. Generally, these funds may be renewed depending upon academic performance and continuing demonstration of financial need.
